See additional notes on reverse side.

Notes on Accounting Major:

- See “Notes on Required Courses” under BUSINESS MAJOR.
- Accounting major courses are offered only once each year. Planning for the completion of these courses is especially important.
- Accounting major courses have prerequisites that need to be planned for when developing course schedules.
- Well-prepared students may complete the Accounting Major in 120 credits; others may require more than 120 credits. 150 credits are required to sit for the CPA exam in Wisconsin. Discuss the options and course scheduling with an Accounting advisor.
- The Declaration of Major form is to be completed by the student, with the assistance of an advisor, and submitted to the Registrar’s Office during the junior year.
- The 30 credits listed as graduate requirements may not be taken to fulfill any undergraduate requirements.

Notes on MS – Accountancy:

- A complete application packet to the Graduate School is required. A complete application packet includes the following:
 - Application to the Graduate School at Edgewood College
 - Personal statement
 - Two letters of recommendation
 - GMAT score of 425 or greater
 - A cumulative undergraduate GPA of 2.75 or better
- Students are encouraged to apply for the graduate program at the end of their Junior year (≥ 90 credits).

School of Business / Accounting Program Policies:

- **18 Credit Rule for Majors:** For students earning an accounting major, a minimum of 18 credits in accounting courses numbered 300 or above must be earned at Edgewood College.
- **Business Residency Rule:** Once enrolled at Edgewood College, all coursework applied to a Business major or minor must be taken at Edgewood College. Exceptions to this rule will occur only in extreme circumstances and require prior written permission of both the student’s academic advisor and the Business Department Chairperson.
- Consult college catalogues for course prerequisites.
